PKSOI Requirements / Authorities

COMMAND RELATIONSHIPS -- HQDA and TRADOC MOA (Jan 2008):

- USAWC remains PKSOI's immediate HQs; TRADOC remains PKSOI's MACOM HQs
- HQDA G-3/5/7 exercises direction, tasking, and oversight of PKSOI mission execution through the Director, G-3/5
- PKSOI will continue to support USAWC teaching requirements, curriculum development, and design / participation in exercises.

PKSOI Authorities Message (DA G3 Message ALARAT 0802111807Z):

"Authorities are intended to facilitate the Army's compliance with DoDD 3000.05, NSPD-44 and other governing authorities."

- Shape policy for USG Stability Operations and Peacekeeping
- Assist with doctrine development for Stability Operations and Peacekeeping
- Support development of education/training programs across the JIM and academia
- Advise/support organizations to identify strategic and operational

U.S. Army Peacekeeping and Stability Operations Institute

Core Competencies

- **Assist in developing an Interagency Reconstruction and Stabilization System that supports a whole-of-government approach to crises and ongoing stability efforts**
- **Identify and fill gaps in doctrine and principles as the basis for understanding and execution of Stability Operations among USG, civilian, military, and NGO/IO community**
- **Develop senior leader understanding of the key elements, systems, and challenges in planning and executing Stability Operations to support policy development and decision making**
- **Present critical Stability Operations issues and lessons to help shape policy/concept development and inform decision making**

PKSOI
U.S. Army Peacekeeping and Stability Operations Institute

Interagency Support (1/2)

- **Assisting DOS in developing concepts, exercising, and implementing the Interagency Management System (IMS)**
- **Supporting DOS development of the NSPD-44 interagency whole of government planning framework**
- **Assisted US Institute of Peace (USIP) in development of policy guidelines for interaction between US military and non-governmental humanitarian assistance organizations**
- **Working with USIP and other organizations to develop generic metrics for stability operations**
- **Integrating USG civilian agency, IO, NGO and coalition partners' input into Army, Marine, Joint, and UN Doctrine**

PKSOI
U.S. Army Peacekeeping and Stability Operations Institute

Interagency Support (2/2)

- Assisting an interagency (USAID/State/DOD) group to design and execute an integrated pre-deployment training program for PRTs going to Iraq
- Working to integrate NSPD-44 and DoD 3000.05 training and education efforts
- Co-sponsoring Joint Forces Command (JFCOM) Rule of Law Workshops for military, civilian agencies, IOs, NGOs, academics
- Shaping Army, Marine, and civilian agency pre-deployment training via Readiness Exercises and Economic Roundtables
- Sponsoring a RAND study on Stability Police capabilities needs
- Linked private security contractors with Combat Training Centers

PKSOI
U.S. Army Peacekeeping and Stability Operations Institute

Joint/Army Support

PKSOI activities in support of Joint/Army Stability Operations fall into three broad categories that involve assisting numerous organizations and contributing to a wide variety of efforts

- **Current Operations – Deployed/deploying Joint/Army units, training centers, handbook/SOP development, and lessons learned**
- **The Future Joint/Army – Army Stability Operations Action Plan; doctrine development and technical review; Joint/Army support to NSPD-44, USAWC and other PME; exercise and experimentation support; capability/capacity gap analysis**
- **Strategic Communications/Outreach – Outreach to other US military services and partner nations armies/training centers, training and education**
